Cirry Councits—Board of Aldermen.—
The Board met last night pursuant to law, Thomas E. Lloyd, president, in the chair, and all the members present except Mr. Asbury Lloyd.
The following communication was received from the Mayor:
In answer to a resolution of the Board of Aldermen, inquiring if there is any appropriation out of which to pay the city's quota of these whetropolitan Police officers, and if there is not such appropriation, to inform the Board what amount will be necessary to pay them for the present fiscal year. I tion, to inform the Board what amount will be ne-cessary to pay them for the present fireal year. I have the honor to inform you that no provision has as yet been made for the payment of sald officers. Under the act of July 28, 1866, increasing the salaries of the Metropolitan Police force, there will be required to pay, from July 1, 1866, to June 30, 1867, as follows:

Total. \$15,516 84

From November 1, 1865, to Jane 30, 1867: One inspector of police, \$234: one clerk to the superintendent, \$270; seventeen sergeants, \$4,420. From the lat of February to the 30th of June, 1867; 28, 150. Total, \$25,680 84. The amount will be realized from the tax imposed by the act of the Councils approved July 28, 1866, for the pay and support of the Matropolitan Police. Taking the receipts of the last fixed years as basis, they will be insufficient to meet this increased burden.

Very respectfully, RICHARD WALLACH, Mayor.

MEETING OF THE BOARD OF TRADE.—An adjourned meeting of the Board of Trade was held at their rooms hast evening. The President, John Esemmes, Esq., in the chair, with Mr. N. Sardo,

It was ordered that hereafter the current busi

It was ordered that hereafter the current business only should be entered on the minutes of the meeting of the Board.

Mr. W. E. Brown, from the Committee on the Canal, reported that they had had an interview with the directors of the canal company, and had laid before that bedy the resolutions in relation to the canal lately passed by the Board, and the committee had every reason to believe that at an early day the buttock lock into the river would be opened for the passage of boats.

Mr. A. R. Shepherd introduced a resolution instructing the Committee of the Board before Congress to urge upon that body the propriety of somedifying the usury laws of this Districts as too modifying the usury laws of this Districts as too from to the laws of other cities on this subject this action being necessary to the introduction and retantion of onpital needed for the proper development of our commercial and manufacturing interesting the control of the control of the second of the

reteation of capital needed for the proper development of our commercial and manufacturing interests.

The resolution was adopted unanimously.

Mr. R. M. Hall introduced a preamble and resolutions setting forth the possible condition of the turnplike road between this city and Blademsburg, Maryland, and also charging that the road company which was chartered in 1810 had not compiled with the provisions of the charter, whereby they are required to make returns to the circuit court of all moneys received and expended by them, and also in mosemaking the road solid, and in not having graded the road in a proper manner, and in not keeping it in such a state as to insure safety and easy trausit, and also a resolution arking Congress to forthwith repeal the said charter and declare the road a free one. Adopted.

Mr. Shepherd offered a recolution, which was adopted, that a special committee of three be appointed, who shall examine the charters of the various turnpike companies whose roads lead into the city and report to the Board what action is necessary to compel the fulfillment of the terms of such charter, or to abate the nuisance of impassable roads with heavy totls.

Messers. Shepherd, Hall, and Brown were appointed as such committee.

Mr. Bacon offered a resolution, which was adopted, instructing the committee of the Board befors Congress to request of that body an appro-priation to improve Pennsylvania avenue by re-

printion to improve Pennsylvania avenue by repaving.

Mr. Thorn offered a resolution, which was
adopted, that Congress be requested by the committee of the Beard of Trade to authorize the Corporation of the city of Washington to pare Louisiana avenue from Sixth to Seventh street, at the
cost of the owners of the property.

Mr. Thorn stated that the property holders were
willing to pay for the improvement, but under existing laws the Corporation were unable to have
the work done on account of Congress having exclusive jurisdiction over the avenues of the city.

The Board then adjourned for two weeks.

Young MEN'S CHRISTIAN ASSOCIATION

Young Men's Christian Association.—
The regular monthly business meeting of the Young Men's Christian Association was held at their rooms over Metserott Hall, leat evening.
The annual reports of several of the officers were read and adopted. During the past year 315 new members have been added to the association, and 172 have renewed their membership.
The treasurer's report shows the amount of receipts during the same time to have been \$1,645.50, and the expenditures, \$1,302.85.
Several amendments to the constitution were proposed and adopted. Among them was one previding that pasters of Evangelical churches may be elected life members of the association without payment of membership fee; one that any person securing fifty new members in one year may be elected a life member without payment of membership fees, one that any person securing fifty new members in one year may be elected a life member without payment of the customary fee; one changing the fee for life membership from \$30 to \$30, one that the association may elect a general secretary, who shall devets his whole time to its interests, and receive a salery; and another, providing for additional standing committees.

The annual election of officers was then held, with the following reads.

Very respectfully.

Referred to the Committee on Finance.
The Mayor also transmitted a bill of judgment and costs in the case of Samuel Waters w. the corporation, amounting to \$118.35.
